How can I get a shipping cost quote online?

USA: Customers in the USA will see our Flat Rate Ground, FedEx, and USPS shipping options and costs when using our online instant shipping quoter and when checking out. APO and FPO shipping quotes and online ordering are available as well. The shipping quote box is available on all product pages. If you will be ordering multiple items simply add all of the items you wish to purchase to the shopping cart and then enter your ship to zip code in to the shipping quote box located in the shopping cart. USA customers can get more details and instructions by clicking here.
Canada: Canadian customers will see UPS and USPS shipping options and costs when using our online instant shipping quoter and when checking out. If you will be ordering multiple items simply add all of the items you wish to purchase to the shopping cart and then enter your ship to postal code in to the shipping quote box located in the shopping cart. Canadian customers can get more details about brokerage, duty, and tax charges by clicking here.

All Other International: International customers will need to create an account on our website and then add all of the items you wish to purchase to the shopping cart. You can then click on the checkout button and the FedEx and USPS shipping options and prices will be shown on the first page of the checkout before any payment details are requested. International customers can get more details and instructions by clicking here.
